**New Business**

Nominating Committee for 2023 BoD - (Kent) working on it.

Discussion about the current small pool for RE and how we could grow the possibilities, other  
members who might be willing to serve and get involved in other positions. The idea came up  
that maybe we could get the general membership involved by providing sandwiches or other  
food items. Paul remembers that the club used to do that before covid. Burger Bill used to flip...  
Julia nominates Ken Martens to be the new burger guy, Kevin 2nd the motion... Kent - No! No!  
No! Other ideas for reaching out to members include holding a meeting at lunch time during an  
autox event, or while winning times are tabulated. Or Stay with the current mailchimp to reach  
out to club members.

End of Year Party with Porsche Club? Paul asked to see a proposal that the board could  
vote on. We have 2 more events Sept 17 & 18. Porsche club has 1 more event on Sept 25.
